OR

Mindtap Access Kit for Mankiw et al (see above) with online version of textbook

**Book(s) on Reserve:** Mankiw et al. *Principles of Microeconomics*, 6<sup>th</sup> Canadian edition. Thomson Nelson.

**Desire2Learn:** This course will make use of the Desire2Learn (D2L) platform. Students who are registered in the course can log on at <a href="http://d2l.ucalgary.ca">http://d2l.ucalgary.ca</a> using or through their student centre. Please note that D2L features a class e-mail list that may be used to distribute course-related information. The default is your University of Calgary e-mail address.

**Course Outline:** This course focuses on key macroeconomic concepts in order to understand the problems faced by government policy makers. (Some of the topics listed below may be added or deleted depending on time constraints.)

1. The Data of Macroeconomics	Chapters 5-6
2. The Real Economy in the Long Run	Chapters 7-10
3. Money and Prices in the Long Run	Chapters 11-12
4. The Macroeconomics of Open Economies	Chapters 13
5. Short-Run Economic Fluctuations	Chapters 14-16
6. Final Thoughts	Chapter 17

#### **Grade Determination and Final Examination Details:**

4 quizzes (best 3 counted)	20%
Midterm Examination, (Monday, March 9 <sup>th</sup> , in class)	30%
Final Exam (Scheduled by the Registrar)	50%
Assignments and Practice Problems:	

- 1. Quizzes will be multiple choice questions, done in D2L. <u>Due dates will be posted during the first</u> week of class.
- 2. All assignments will be due at 6:00 PM on the due date. It is your responsibility to remember the due dates. Late assignments cannot be accepted in D2L. Furthermore, technical problems can be expected to sometimes occur with computer systems and internet availability so it may be a good idea to not wait until the last minute to submit your assignment. Technical problems will not justify shifting the assignment weight to the final exam.
- 3. Course material dealing with a particular assignment will typically be covered in class at least one lecture before the assignment is due and assignments can be done at any time prior to the due date. In addition, only the best 3 assignments of the 4 that are to be completed will count towards your final mark. Given these factors, only situations where someone can document illness or domestic affliction for an extended period (i.e. the entire 10 days prior to the assignment due date) would possibly warrant shifting the assignment weight to the final exam.
- 4. Emails regarding Mindtap should be directed towards the providers of Mindtap. I am unable to help with computer issues.

## Examinations:

- 1. Examinations will consist of multiple choice questions.
- 2. The midterm examination will be held during lecture time on Monday, March 9<sup>th</sup>.
- 3. The final examination will last two hours, will be scheduled by the Registrar. The final examination will cover all course material, but will be heavily weighted towards material that was not dealt with in the midterm.
- 4. A non-programmable calculator may be used during the writing of tests or final examinations

Tests and final exams are marked on a numerical (percentage) basis, then converted to letter grades. The course grade is then calculated using the weights indicated above. As a guide to determining standing, these letter grade equivalences will apply:

A+	95 – 100	В	73 – 76	C-	60 - 62
Α	85 – 94	B-	70 – 72	D+	56 – 59
A-	80 – 84	C+	67 – 69	D	50 – 55
B+	77 – 79	С	63 – 66	F	0 – 49

A passing grade on any particular component of the course is not required for a student to pass the course as a whole.

There will be a Registrar scheduled final examination, held in a gym, lasting 2 hours.

Tests and exams WILL involve multiple choice questions.

### Notes:

- Students seeking reappraisal of a piece of graded term work (term paper, essay, etc.) should discuss their work with the Instructor within fifteen days of the work being returned to the class.
- It is the student's responsibility to request academic accommodations. If you are a student with a documented disability who may require academic accommodation and have not registered with the Disability Resource Centre, please contact their office at 220-8237. Students who have not registered with the Disability Resource Centre are not eligible for formal academic accommodation. You are also required to discuss your needs with your instructor no later than fourteen (14) days after the start of this course.
- Students who are unable to write the midterm because of an illness, family emergency or religious observance will have the midterm weight shifted to the final examination.
   Documentation MUST be provided. Students should be aware that no "make-up" midterms will be given.
- Note that deferred final examinations may contain short/long answer questions. Also, deferred final examinations do not have to cover the same material or have the same format as the regular final examination.
- All students must comply with the regulations published in the University Calendar concerning "Intellectual Honesty," "Examinations," etc.
- Students will be responsible for all material listed on the course outline, regardless of whether
  or not the material has been covered in class, unless the instructor notifies the class that the
  material will not be covered.
- Please note that the following types of emails will receive no response: emails not addressed to
  anyone in particular; emails where the recipient's name is not spelled correctly; anonymous
  emails; emails in which the sender has not identified which course and section he/she is taking;
  and, emails involving questions that are specifically addressed on the course outline.
- The use of cell phones for any purpose in class is prohibited. The classroom is a no cell phone zone. Laptops and tablets may only be used for note-taking purposes.
