Grade Determination and Final Examination Details:

There will be one midterm test and a two-hour Registrar scheduled final examination, which will be held in a classroom. The weights of these in the course grade are as follows:

Midterm	July 23	50%
Final exam		50%

Tests and final exams are marked on a numerical (percentage) basis, then converted to letter grades. The course grade is then calculated using the weights indicated above. As a guide to determining standing, these letter grade equivalences will apply:

A+	96 – 100	B+	81 – 84	C+	68 – 71	D+	55 – 58
A	89 – 95	B	76 – 80	C	63 – 67	D	50 – 54
A-	85 – 88	B-	72 - 75	C-	59 – 62	F	0 – 49

Part marks of 0.5 or above will be rounded up; those below 0.5 will be rounded down.

A passing grade on any particular component of the course is not essential if a student is to pass the course as a whole.

Non-programmable calculators will be allowed during the writing of tests or final examinations. Tests and/or the final examination may include multiple choice questions.

NOTES:

- Students seeking reappraisal of a piece of graded term work (term paper, essay, etc.) should discuss their work with the Instructor *within seven days* of the work being returned to the class.
- **No deferred midterm will be given. Students who are unable to write the midterm because of a documented illness, family emergency or religious observance will have the midterm weight shifted to the final. The Instructor should be notified in advance if a student will be unable to write a midterm. In any case, documentation must be provided as soon as possible (within a day or so of the missed midterm).**
- It is the student's responsibility to request academic accommodations. If you are a student with a documented disability who may require academic accommodation and have not registered with the Disability Resource Centre, please contact their office at 220-8237. Students who have not registered with the Disability Resource Centre are not eligible for

formal academic accommodation. You are also required to discuss your needs with your instructor no later than seven (7) days after the start of this course.
