Course Objectives/Learning Outcomes

The main objectives of this course are to introduce the students to the field of Macroeconomics and lay the foundation for the two intermediate theory courses in Macroeconomics (ECON303 and ECON359).

After completing this course, the students are expected to be familiar with the basic terminology of Macroeconomics. They are also expected to know the basic concept of equilibrium and how the distinction between the short run and long run helps us understand the working of the economy better.

Course Description

This is an introductory course in Macroeconomics, which is the study of the economy as a whole. We shall start with some general principles of economics and then move on to topics specific to the study of Macroeconomics. These topics will include the measurement of economic activity and both the long-term and short-term equilibria of the economy. We shall discuss these equilibria in both closed and open economy settings. We shall also talk about the role of money and prices in the economy. The following is a brief list of topics that I plan to cover. Each item in the list is followed by the number of relevant chapter(s) from the text book.

1. Introduction (Chapters 1 and 2)
2. Measurement of Economic Activity (Chapters 5 and 6)
3. The Real Economy in the Long Run (Chapters 7, 8 and 9)
4. Money and Prices in the Long Run (Chapters 10 and 11)
5. Open-Economy Macroeconomics (Chapters 3, 12 and 13)
6. Economy in the Short Run (Chapters 14, 15 and 16)
7. Conclusion (Chapter 17)

This is just a suggestive list and we may not be able to cover all the topics listed above.

Reappraisal of Grades

For reappraisal of graded term work, see Calendar I.2

<http://www.ucalgary.ca/pubs/calendar/current/i-2.html>

For reappraisal of final grade, see Calendar I.3

<http://www.ucalgary.ca/pubs/calendar/current/i-3.html>

A student who feels that a piece of graded term work (e.g., term paper, essay, test) has been unfairly graded, may have the work re-graded as follows. The student shall discuss the work with the instructor within 15 days of being notified about the mark or of the item's return to the class; no reappraisal of term work is permitted after the 15 days. If not satisfied, the student shall immediately take the matter to the Head of the department offering the course, who will arrange for a reassessment of the work within the next 15 days. The reappraisal of term work may cause the grade to be raised, lowered, or to remain the same. If the student is not satisfied with the decision and wishes to appeal, the student shall address a letter of appeal to the Dean of the faculty offering the course within 15 days of the unfavourable decision. In the letter, the student must clearly and fully state the decision being appealed, the grounds for appeal, and the remedies being sought, along with any special circumstances that warrant an appeal of the reappraisal. The student should include as much written documentation as possible.

Plagiarism and Other Academic Misconduct

Intellectual honesty is the cornerstone of the development and acquisition of knowledge and requires that the contribution of others be acknowledged. Consequently, plagiarism or cheating on any assignment is regarded as an extremely serious academic offense. Plagiarism involves submitting or presenting work in a course as if it were the student's own work done expressly for that particular course when, in fact, it is not. Students should examine sections of the University Calendar that present a Statement of Intellectual Honesty and definitions and penalties associated with Plagiarism/Cheating/Other Academic Misconduct,

Academic Accommodation

Students seeking an accommodation based on disability or medical concerns should contact Student Accessibility Services; SAS will process the request and issue letters of accommodation to instructors. For additional information on support services and accommodations for students with disabilities Visit www.ucalgary.ca/access/.

Students who require an accommodation in relation to their coursework based on a protected ground other than disability should communicate this need in writing to their Instructor. The full policy on Student Accommodations is available at <http://www.ucalgary.ca/policies/files/policies/student-accommodation-policy.pdf>

Absence from a Quiz/Test/Exam

THERE WILL BE NO MAKEUP OR DEFERRED QUIZZES/TESTS/EXAMS under any circumstances, nor may the quizzes/tests/exams be written early. Students unable to write the quizzes/tests/exams because of documented illness, family emergency, religious observance, or university-sanctioned event will have the weight shifted to the final examination; otherwise a grade of zero will be assigned. If a student cannot write their final exam on the date assigned by the Registrar's Office, they need to apply for a

deferred exam www.ucalgary.ca/registrar/exams/deferred_final Under no circumstance will this be accommodated by the department.
