Course Description:

Research Methods (I and II) will focus on developing student skills in evaluating their own research and the research of others. The course will focus on how to choose a research topic, how to develop an appropriate methodology, and how to evaluate the research contributions of others. As part of the course, students will attend the departmental seminar series (whether in person or delivered via Zoom as required).

Course Outcomes:

The goal of this course is to provide the student with the tools necessary to undertake independent research, beyond the skills developed in field-specific courses. In the fall, our focus will be on developing a clear research question and an appropriate methodology for studying that question.

Course Outline:

The course will be divided into three broad sections. During the first section we will discuss how to develop a research question and how to conduct a literature review on that topic. The second section will focus on developing an appropriate research approach or methodology to assess your research question. The final portion of the course will focus on developing your writing and presentation skills as they pertain to your research.

Prerequisites/corequisites:

Enrollment in the MA Economics program (course-based and thesis-based)

Required Textbook(s):

None. Readings will be posted on D2L.

Recommended Textbook(s):

None. All readings will be posted on D2L.

Books on Reserve:

None.

Desire2Learn:

This course will make use of the Desire2Learn (D2L) platform. Students who are registered in the course can log on at <http://d2l.ucalgary.ca> through their student centre. Please note that D2L features a class e-mail list that may be used to distribute course-related information. These e-mails go to your University of Calgary e-mail addresses only.

Grade Determination/Assessment:

Students will be graded on a **pass/fail** basis. Successful completion of three (3) reports evaluating seminar papers, and a research report of their own choosing are required to pass the course.

For the departmental seminars, students will write reports on three(3) papers presented in the Wednesday and Friday seminars. These reports should evaluate the paper, the presentation, and provide a thoughtful analysis of the research contributions. The reports can be submitted to the instructor at any time during the Fall term through the D2L platform. **All seminar reports must be submitted by December 15th** through the D2L platform. **Late assignments will not be accepted.**

Students will also write a research report on a research question of their own choosing. Students will identify a research question, explain why the topic merits researching, provide a brief yet thorough literature review, and develop an appropriate methodology. **The report will be due December 15th** and must be submitted through the D2L platform. **Late assignments will not be accepted.**

All reports set out above are required to pass the course.

There **will not** be a final examination for this course.

Notes:

Students are responsible for all assigned material, e.g., supplementary material posted on D2L, regardless of whether or not the material was covered in class.

IMPORTANT POLICIES AND INFORMATION**Absence From a Mid-term Examination**

Students who are absent from a scheduled term test or quiz for legitimate reasons are responsible for contacting the instructor via email within 48 hours of the missed test to discuss alternative arrangements. A copy of this email may be requested as proof of the attempt to contact the instructor. Any student who fails to do so forfeits the right to a makeup test.

Deferred Term Work Form: Deferral of term work past the end of a term requires a form to be filled out by the student and submitted, along with any supporting documentation, to the instructor. The form is available at:

<https://live-ucalgary.ucalgary.ca/sites/default/files/teams/14/deferral-of-term-work-2020.pdf>

Once an extension date has been agreed between instructor and student, the instructor will email the form to the Faculty of Arts Program Information Centre (ascarts@ucalgary.ca) for approval by the Associate Dean.

Deferral of a Final Examination

Deferral of a final examination can be granted for reasons of illness, domestic affliction, and unforeseen circumstances, as well as to those with three (3) final exams scheduled within a 24-hour period. The decision to allow a deferred final exam rests not with the instructor but with Enrolment Services. Instructors should, however, be notified if you will be absent during the examination.
