Course Description:
Introduction to advanced microeconomic theory. Topics include consumer theory, intertemporal choice, risk, producer theory, partial and general equilibrium welfare analysis, social welfare analysis, game theory and information economics.

Course Outcomes:
The intention of the course is to provide students with an exposure to microeconomic theory at a first year graduate level. The objective is for students to be able to undertake relatively technical economic analysis and modeling, and to be able understand journal level research in microeconomic theory.

Course Outline:
The course will cover the following topics (time permitting):

1. Consumer Theory
2. Measuring Individual Welfare Changes
3. Intertemporal Decision Making
4. Decision Making Under Risk
5. Producer Theory
6. Competitive Equilibrium and Welfare Analysis
7. Social Welfare Analysis
8. Market Failure 1: Market Power (Introduction to Game Theory)
10. Market Failure 3: Asymmetric Information

Prerequisites/corequisites:
Enrollment in the departmental Ph.D program; Familiarity with the material covered during Math Camp.

Recommended Textbook(s):

I will not be “following” this textbook per se, but it is a standard graduate textbook for a first course in microeconomic theory and is a useful reference and complement to the lectures. I will post detailed “slides” (more of the nature of lecture notes) on D2L.
Other Textbooks:

Tutorials
There will be occasional tutorials for the course (6-8 over the term), taught by the TAs. Times and dates to be determined.

Desire2Learn:
This course will make use of the Desire2Learn (D2L) platform. Students who are registered in the course can log on at [http://d2l.ucalgary.ca](http://d2l.ucalgary.ca) through their student centre. Please note that D2L features a class e-mail list that may be used to distribute course-related information. These e-mails go to your University of Calgary e-mail addresses only.

Grade Determination/Assessment:
Assignments (34) 40%
Midterm Exam 20%
Final Exam 40%

The Department of Economics uses the following criteria when assigning letter grades:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Grade Point Value</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>A+</td>
<td>4.00</td>
<td>Outstanding</td>
</tr>
<tr>
<td>A</td>
<td>4.00</td>
<td>Excellent-superior performance, showing-comprehensive understanding of subject matter</td>
</tr>
<tr>
<td>A-</td>
<td>3.70</td>
<td>Very good performance</td>
</tr>
<tr>
<td>B+</td>
<td>3.30</td>
<td>Good performance</td>
</tr>
<tr>
<td>B</td>
<td>3.00</td>
<td>Satisfactory performance</td>
</tr>
<tr>
<td>B-</td>
<td>2.70</td>
<td>Minimum pass for students in the Faculty of Graduate Studies</td>
</tr>
<tr>
<td>C+</td>
<td>2.30</td>
<td>All grades below “B-” are indicative of failure at the graduate level and cannot be counted toward Faculty of Graduate Studies course requirements. Individual programs may require a higher passing grade.</td>
</tr>
</tbody>
</table>

Letter grades will be determined as follows:

Numerical (percentage) grades will be given for each component of the course. The numerical grade will be converted to letter grade according to the above criteria and the instructors assessment of the difficulty and nature of the assignment or exam. Thus, for one component a 75% may merit a B (3.00), while in another component a 75% may merit an B+ (3.30). The appropriate conversion tables will be provided for each graded component when the component is returned. To determine the final letter grade for the course the letter grade for each component will be assigned the Grade Point Value (GPV) indicated in the above table and a weighted average GPV determined. The weighted average GPV will then be converted back to a letter grade as per the table. This sounds more complicated than it is, and is actually quite straightforward – the important bit from your perspective is the letter grade associated with each component.
Students **MUST** receive a passing grade on the final exam (B- or higher) to pass the course.

There will be a department scheduled final examination, held in a classroom, lasting 2 hours. Non-programmable calculator will allowed during the writing of tests or final examinations.

Tests and exams will not include multiple choice questions.

**Absence from a Test/Exam:**

THERE WILL BE NO MAKEUP OR DEFERRED EXAMS granted by the instructor under any circumstances, nor may exams be written early. A student unable to write the midterm exam because of documented illness, family emergency, religious observance, or university-sanctioned event will have the weight shifted to the final examination; otherwise a grade of zero will be assigned. If a student cannot write the final exam on the date assigned by the Department, they need to arrange for a deferred exam with the department.

**IMPORTANT POLICIES AND INFORMATION**

**Supporting Documentation and the Use of a Statutory Declaration**

As stated in the University Calendar:

Students may be asked to provide supporting documentation for an exemption/special request. This may include, but is not limited to, a prolonged absence from a course where participation is required, a missed course assessment, a deferred examination, or an appeal. Students are encouraged to submit documentation that will support their situation. Supporting documentation may be dependent on the reason noted in their personal statement/explanation provided to explain their situation. This could be medical certificate/documentation, references, police reports, invitation letter, third party letter of support or a statutory declaration etc. The decision to provide supporting documentation that best suits the situation is at the discretion of the student. Students cannot be required to provide specific supporting documentation, such as a medical note.

Students can make a Statutory Declaration as their supporting documentation (available at ucalgary.ca/registrar). This requires students to make a declaration in the presence of a Commissioner for Oaths. It demonstrates the importance of honest and accurate information provided and is a legally binding declaration. Several registered Commissioners for Oaths are available to students at no charge, on campus. For a list of locations to access a Commissioners for Oaths, visit ucalgary.ca/registrar.

Falsification of any supporting documentation will be taken very seriously and may result in disciplinary action through the Academic Discipline regulations or the Student Non-Academic Misconduct policy.

This statement is accessible at: https://www.ucalgary.ca/pubs/calendar/current/m-1.html

**Absence From a Mid-term Examination**

Students who are absent from a scheduled term test or quiz for legitimate reasons are responsible for contacting the instructor via email within 48 hours of the missed test to discuss alternative arrangements. A copy of this email may be requested as proof of the attempt to contact the instructor. Any student who fails to do so forfeits the right to a makeup test.
**Deferral of a Final Examination**
Deferral of a final examination can be granted for reasons of illness, domestic affliction, and unforeseen circumstances, as well as to those with three (3) final exams scheduled within a 24-hour period. Deferred final exams will not be granted to those who sit the exam, who have made travel arrangements that conflict with their exam, or who have misread the examination timetable. The decision to allow a deferred final exam rests not with the instructor but with Enrolment Services. Instructors should, however, be notified if you will be absent during the examination. The Application for Deferred Final Exam, deadlines, requirements and submission instructions can be found on the Enrolment Services website at [https://www.ucalgary.ca/registrar/exams/deferred-exams](https://www.ucalgary.ca/registrar/exams/deferred-exams).

Such offences will be taken seriously and reported immediately, as required by Faculty of Arts policy.

**Recording of Lectures:**
Recording of lectures is prohibited, except for audio recordings authorized as an accommodation by SAS or an audio recording for individual private study and only with the written permission of the instructor. Any unauthorized electronic or mechanical recording of lectures, their transcription, copying, or distribution, constitutes academic misconduct. See [https://www.ucalgary.ca/pubs/calendar/current/e-6.html](https://www.ucalgary.ca/pubs/calendar/current/e-6.html).

**Academic Accommodations:**
Students seeking an accommodation based on disability or medical concerns should contact Student Accessibility Services. SAS will process the request and issue letters of accommodation to instructors. Students who require an accommodation in relation to their coursework based on a protected ground other than disability should communicate this need in writing to their instructor. The full policy on Student Accommodations is available at [https://www.ucalgary.ca/legal-services/university-policies-procedures/accommodation-students-](https://www.ucalgary.ca/legal-services/university-policies-procedures/accommodation-students-)
